Safeguarding Policies

Deal Town Football Club are committed to the safeguarding and welfare of all children, young people and adults at risk, and expect all those involved with the club and/or attending our games to share this commitment.

We are also committed to ensuring that any club related activity will be in a safe environment where children, young people and adults at risk are protected from harm or abuse while under our care.

Safeguarding is everyone's responsibility; if you are worried about a person, it is important that you report your concerns. No action is simple not an option.

If you need any assistance, need to raise a concern, or wish to discuss anything related to safeguarding, please get in touch as soon as possible. Our aim as a club is to ensure we provide a safe an enjoyable environment for every person involved. We are here to listen, and to keep everyone safe.
